**Petition History**

On May 9, 2011, the City Council forwarded the Westfield Thoroughfare Plan Addendum (the "Addendum") to the Advisory Plan Commission (the "APC"). The Addendum is scheduled for public hearing at the June 6, 2011 APC meeting.

---

**Procedural**

- Amendments to the Westfield-Washington Township Comprehensive Plan are required to be considered at a public hearing. The public hearing is scheduled to be held on June 6, 2011 at the APC meeting.
- Notice of the June 6, 2011 public hearing was provided in accordance with the APC Rules of Procedure.

---

**Summary**

The proposed modifications to the Westfield Thoroughfare Plan are necessary in order to accurately depict the street network that will serve Grand Park and the surrounding area. The modifications are highlighted in the Addendum (see Exhibit 2). The Addendum includes two additions: one is a link connecting Wheeler Road and Tomlinson Road; the other is a realigned intersection where Horton Road, 193<sup>rd</sup> Street, Springmill Road, and 191<sup>st</sup> Street converge. The Addendum also removes a number of road segments, which are no longer needed as a result of the two additions.
